My family is Jewish.

Today is Chanukah.

I love Chanukah!

It's not about the presents.

It's about family.

I love Chanukah!

We spin the dreidel.

If it lands on Gimel,

I get chocolate coins.

Chanukah lasts eight days.

We tell about a miracle

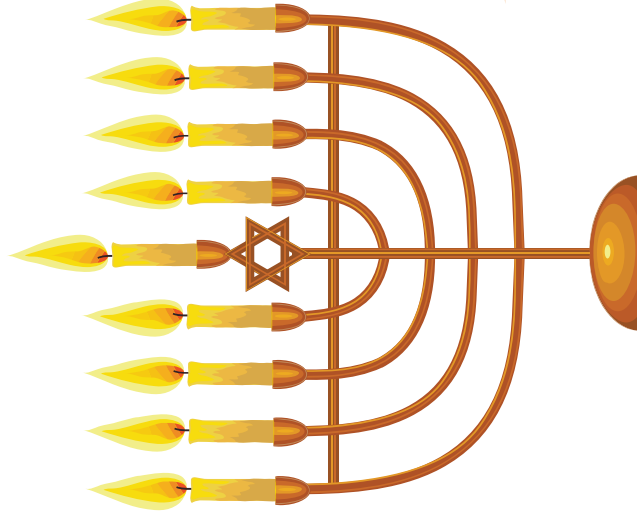

for the Jewish people.

We light candles

in the menorah.

Each night we light one more.

My mom makes

potato pancakes called latkes.

Then we open presents!
